Anti-bullying Policy

The aim of the anti-bullying policy is to ensure that students can be taught and learn in a supportive, caring and safe environment without fear of being bullied. Only when all issues of bullying are addressed will students be able to fully benefit from the benefits of training in karate.

Definition

Bullying is anti-social behaviour and affects everyone; it is unacceptable and will not be tolerated.

Bullying is defined as deliberately hurtful behaviour, **repeated over a period of time**, where it is difficult for those being bullied to defend themselves.

The three main types of bullying are:

Physical (hitting, kicking, theft)

Verbal (name calling, racist remarks, religious remarks, homophobic remarks, gender based insults) remarks.

Indirect (spreading rumours, excluding someone from social groups).

Cyber bullying: remarks made over the Internet.

Aims

To promote a secure and safe environment free from threat, harassment and any type of bullying behaviour in our karate classes.

To show commitment to overcoming bullying by practising zero tolerance .

To inform students/instructors and parents/carers of the our club-Expectations, and to help maintain a bully-free environment.

To make our instructors aware of their role in fostering the knowledge and attitudes which will be required to achieve the above aims.

To encourage all students/parents/carers/instructors to show their disapproval if they see bullying at class and take responsibility for informing the class instructor/senior instructor.
