Covid-19 Dojo rules/Risk assessment.

- 1.All checks and safety procedures as per club general risk assessment.
- 2.We ask any student/parent that is displaying the symptoms of Covid-19 to stay away from class.
- 3.We ask any student/parent that has been in contact with anyone with or displaying the symptoms of Covid-19 to stay away from class.
- 4.All students must wash their hands before training and when they leave the dojo.
- 5.We ask all students to ensure that they themselves are clean and that their karate gi, belt and training gear is clean.
- 6.Social distancing/safe zones will be applied be as per government advice.
- 7.Class activities that would involve contact or potentially breach social distancing/safe zones will be eliminated from class till further notice.
- 8.We recommend that students/parents with underlying health conditions and students' parents over 70 follow government guidelines when making the decision to train or bring someone to class.
- 9.The instructor can refuse anyone entry that they feel will be at risk to others and can immediately remove anyone that is not observing the rules.
